Welcome to the Cle Elum Ranger District

This guide provides information on 25 campgrounds located on the Cle Elum Ranger District, Wenatchee National Forest.

The following campgrounds range in size from the large urban-like setting at Kachess with 120 units, to the small remote campgrounds such as Lion Rock Springs with 3 units. Cle Elum Ranger District Campgrounds accommodate a variety of styles of camping, including tents, trailers, motorhomes and pick-up campers. Some are designed to serve special uses such as off-road-vehicles at Ice Water Campground, and horses at Cayuse Camp and Ken Wilcox Horsecamp at Haney Meadows.

Other facilities available in selected campgrounds include covered picnic areas, group sites, boat launches, and playgrounds. Please note these campgrounds do not have showers, electric or water/sewer hook-up facilities for RV's or trailers.

Selected campsites at the Kachess and Salmon la Sac Campgrounds and group sites at Cle Elum River, Kachess, Mineral Springs Campgrounds and an East Kachess Group Site not located in Kachess Campground are available for advanced reservation by calling 1-877-444-6777. Customers needing TDD (Telephone Device for the Deaf) service may call 1-877-833-6777. Or reserve sites at this website:

www.reserveusa.com

The larger campgrounds, having central water sources and modern sanitation, require a fee. The smaller, more primitive campgrounds are free and provide a greater degree of solitude. Fees vary with the amounts and kinds of amenities. At all fee campgrounds there is an extra vehicle charge due to limited parking space.

Twelve campgrounds are currently operated by concessionaire under special-use permit. Concessionaires handle fee collection and compliance, maintenance and reservation site coordination. Campgrounds operated by concessionaire may be subject to price increase and/or state sales tax.

Forest Service Campgrounds provide a wide variety of settings and can accommodate many interests. The freedoms and choices provide many excellent opportunities to enjoy "America's Great Outdoors." Please help make your visit, and that of your neighbors, a pleasant one by observing the few policies posted at the back of this booklet and on the bulletin boards.
